

FRV BALI – ESHARA VILLAS

Edition 10.5 – Feb – Apr 2014

NOW YOU SEE THEM, NOW YOU DON'T – THESE ARE THE DAVID COPPERFIELD OF VILLAS!

Published 03 February 2014

You'll be in your intimate and stylish love nest for two, luxuriating on deckchairs by the sparkling swimming pool and as if by magic, hey presto!, the screens slide away and you're with your friends sharing a fabulous Balinese feast under the Swarovski crystal chandelier. Or the kids are running between the villas, deciding which of the three swimming pools on offer is their favourite.

These three, super-chic interconnecting villas, located smack bang in the heart of Seminyak, can be configured to suit your needs, whether it be a two-bedroom, three-bedroom, five-bedroom, right up to eight-bedrooms – a number almost impossible to find in such a fabulous location. They are absolutely ideal for anyone from love-struck honeymooners to large groups of friends. Kick up your heels, or just kick back and let yourself be shamelessly pampered.

Enjoy a meal created by your private chef while seated in the fabulous cowhide chairs at the dining table.

It may be difficult to believe, but while you're relaxing in your own tropical paradise, surrounded by flowering frangipani trees and coconut palms, being waited on by a full complement of staff including butlers, maids and chefs, the best that super-sophisticated Bali has to offer is just outside your doorstep. There are buzzy streets and cute laneways lined with fabulous shops, and you'll never have to dine at the same restaurant twice because 'Eat Street' is a short stroll away. New cafes are popping up all the time and there are plenty of bars that are still pumping well after the clock strikes midnight.

Shop 'til you drop, safe in the knowledge that when you come home you'll be able to take a soak in the river-rock bathtub made for two before resting on one of the ultra comfortable king size beds. Best of all, each villa has its own private entrance so no one need know what time you stroll in.

You may even resist the temptation to explore beyond the villa, opting to luxuriate in your sumptuous new surroundings. Enjoy a meal created by your private chef while seated in the fabulous cowhide chairs at the dining table, chill out on the sofa while admiring the bright, contemporary artworks and ethnic artifacts or simply enjoying a gin and tonic poolside as the sun goes down in the customary blaze of colour.

You really have the best of everything at Vila Eshara; a fully staffed and delightful haven offering you a totally indulgent Balinese experience with the buzz and excitement of Seminyak right at your fingertips, plus the incredible option to make your holiday entirely intimate or one that you'd like to share with friends and family.
